FRANKY VENTURA

1804 Hall Avenue | Windsor, N8W2L4 | (226) 350-1095 | frankyventura04@gmail.com

A Computer Programming student (4.0 GPA) at St. Clair College seeking to apply problem-solving skills and project experience in Java, PHP, and web development.

EXPERIENCE

Game Development

Java FX Project | Windsor, ON

Designed and implemented a card matching game with animations, sound effects, and smooth transitions using JavaFX.

Applied object-oriented programming principles to separate game logic from the user interface.

Collaborated with a classmate through weekly coding sessions to plan, test, and debug features.   June 2025 – July 2025

EDUCATION

Computer Programming

St. Clair College | Windsor, ON   Expected Graduation: April 2026

GPA: 4.0

VOLUNTEERING

Peer Tutoring

Assisted peers with understanding programming assignments, and general fundamentals, providing one-on-one guidance on things like problem-solving techniques and debugging.

SKILLS

Programming Languages: Java, PHP, Python, HTML, CSS, Javascript

Tools & Technologies: Git/GitHub, MySQL, IntelliJ IDEA, Visual Studio Code

Core Competencies: Object-Oriented Programming, Data Structures, Web Development

Soft Skills: Communication, Collaboration, Problem-Solving, Adaptability, Punctuality

PROJECTS

Portfolio Website – Web Design Final Project

Developed a responsive personal website featuring a main page, about me, projects, and contact sections. Built with HTML, CSS, and JavaScript to showcase interactive functionality and design skills.
